Inner-city Victorian Terrace with Endless Possibilities

A rare opportunity to acquire a Victorian terrace on the fringe of Potts Point. Set over three levels and retaining some of the original graceful features synonymous with these historic houses, the possibilities to recreate a magnificent residence are endless. Two of the bedrooms open onto their own balconies, whilst the study/guestroom opens onto a spacious tiled terrace with dazzling views to the CBD, harbour bridge and opera house. A generous courtyard with original out buildings could be easily transformed into a tranquil inner-city oasis. With its high ceilings, charming wooden staircase and numerous fireplaces, this house has enormous potential to become a gracious inner-city home.

- Historic Victorian Terrace
- Huge potential to re-imagine
