Luxurious Horizon Apartment with Breathtaking Views

This spacious, stylish and luxurious apartment enjoys one of the most breathtaking views Sydney has to offer. Unparalleled sweeping views from the 26th floor of the iconic Harry Seidler designed "the Horizon" encompassing the city skyline, Harbour Bridge, Opera House, Sydney harbour and the ocean beyond. North-facing and sun-drenched the "04" apartments within the building are rarely offered and highly sought after. The open plan living, dining and kitchen area flows out through huge floor to ceiling doors onto a wide curved balcony, creating the ultimate space for al fresco entertaining or just soaking in the uninterrupted most famous panorama. All this along with a light-filled chef's kitchen, two large bedrooms, two bathrooms and the opportunity to relish resort style living synonymous with "the Horizon". This is a stunning inner-city residence.
